Dealer notes

This White 2022 Ford Explorer is the kind of used SUV thats ready for whatever your week throws at itschool runs, road trips, and the lets see where that road goes weekends. With a turbocharged 2.3L EcoBoost 4-cylinder under the hood and driver-selectable modes, it delivers punchy everyday power while keeping things sensible at the pump with gasoline fuel. Confidence comes standard here thanks to 4WD, steady handling, and smart traction help for slick ramps or snowy side streets. And when plans include extra cargo, the power liftgate makes loading up quick and painlessno juggling bags while you search for a handle. Inside, its built for real life: heated front seats for chilly mornings, a leather-wrapped steering wheel in hand, and easy Bluetooth connectivity plus streaming audio to keep your playlists (and podcasts) rolling. Multiple 12V outlets help keep everyone powered up, and the back-up camera with washer adds a little extra clarity when the weather doesnt cooperate. Safety tech is along for the ride too, with Ford Co-Pilot360 features like BLIS blind spot monitoring, cross-traffic alert, and pre-collision assist with pedestrian detection. And for extra peace of mind, a CARFAX report is available for this Explorer. At Montage Motors LLC quality is never compromised we only sell hand picked high quality used cars trucks & SUV's.
