Exterior colour: Brilliant Silver Metallic
Interior colour: Charcoal
Body type: Sedan
Fuel economy: — city / — highway MPG
Dealer: Ellectra Motors, Redondo Beach, CA 90277
Dealer phone: 714-288-4260

Dealer notes

The 2019 Nissan Sentra SV Sedan 4D is a mid-tier, budget-friendly compact car known for its generous interior space, commendable fuel efficiency, and an upgraded tech suite compared to the base S trim. While it excels as a straightforward commuter car, it is frequently criticized by automotive experts for its lackluster driving dynamics and the long-term reliability concerns surrounding its Xtronic CVT (Continuously Variable Transmission). ?? Engine and Performance The Sentra SV prioritizes fuel economy over raw acceleration, offering a predictable and tame driving experience. Engine: 1.8-liter naturally aspirated 4-cylinder engine. Output: 124 horsepower and 125 lb-ft of torque. Transmission: Xtronic Continuously Variable Transmission (CVT) powering the front wheels. Fuel Economy: An EPA-estimated 29 mpg city / 37 mpg highway (32 mpg combined), making it highly cost-effective for daily travel. ??? Standard SV Trim Features Stepping up to the SV trim from the base model adds several desirable comfort and connectivity elements: Infotainment: A 7-inch touchscreen display featuring Apple CarPlay and Android Auto integration. Convenience: Dual-zone automatic climate control, push-button start, proximity keyless entry, and a leather-wrapped steering wheel. Audio: A 6-speaker sound system with Bluetooth streaming and SiriusXM satellite radio capability. Safety Tech: Standard Automatic Emergency Braking alongside a traditional rearview camera ?? Interior Space and Dimensions Despite its classification as a compact sedan, the cabin layout leans heavily into mid-size territory, making it one of the roomiest options in its class. Seating Capacity: Accommodates up to 5 passengers with premium cloth upholstery. Legroom: Provides a comfortable 42.5 inches in the front and 37.4 inches in the rear, allowing adults to sit comfortably in the back. Cargo Capacity: A large 15.1 cubic feet trunk, complete with 60/40 split-folding rear seats to maximize utility www.ellectramotors.com @Ellectra_Motors Ellectra Motors 224 E 1St Street Santa Ana, CA 92701 Sales: 951.900.1614 Service: 714.288.4259
