Dealer notes

CLEAN TITLE WITH TOTAL LOSS HISTORY – 2021 Chevrolet Silverado 1500 LT Trail Boss 4WD Crew Cab – 44,003 Miles – 6.2L V8 – Oxford Brown Metallic This is one seriously sharp and highly desirable Silverado. This 2021 Chevrolet Silverado 1500 LT Trail Boss 4WD Crew Cab has only 44,003 miles and is finished in the uncommon and eye-catching Oxford Brown Metallic over a Jet Black leather interior. Under the hood is the engine truck enthusiasts want: Chevrolet's 6.2L EcoTec3 V8, producing approximately 420 horsepower and 460 lb-ft of torque. Combine that with the factory Trail Boss off-road setup, 4WD, longer 157" wheelbase, Leather Package, Convenience Package II, Bed Protection Package, and 4" Black Round Assist Steps, and you have an extremely desirable Silverado configuration. Most importantly, this truck has a CLEAN TITLE. It does have a previous total-loss history, which is fully disclosed below, but the title itself remains clean. Vehicle History & Condition ' CLEAN TITLE ' Previous Total Loss History ' 44,003 Miles ' Previous Driver-Side Front Damage ' NO Structural Damage ' NO Airbags Deployed ' Damage Has Been Repaired ' Very Nice Overall Truck ' Highly Desirable 6.2L Trail Boss For complete transparency, this Silverado has a clean title with previous total-loss history resulting from damage to the driver-side front area. Importantly, the previous incident resulted in NO structural damage and NO airbag deployment. The damage has since been repaired. This is exactly why we believe in being upfront about vehicle history. You're getting the opportunity to purchase a highly desirable 6.2L V8 LT Trail Boss at a value that can be significantly more attractive than comparable trucks without the previous history.
