Dealer notes

The 2022 BMW 330e Plug-In Hybrid Sedan combines sporty BMW driving dynamics with the efficiency and flexibility of plug-in hybrid technology. Powered by a 2.0-liter turbocharged four-cylinder engine paired with an electric motor, this 330e produces a combined 288 horsepower and 310 lb-ft of torque, delivering smooth acceleration and responsive performance. Paired with an automatic transmission and rear-wheel drive, it maintains the balanced, driver-focused feel the 3 Series is known for while also allowing short-distance electric driving and improved fuel efficiency. With 125,880 miles, this 330e offers a modern combination of performance, luxury, and everyday practicality. The 330e features the clean, athletic styling of the 3 Series along with a refined four-door cabin designed for comfort and daily usability. Inside, the interior offers premium materials, a modern driver-focused layout, and the technology expected from a newer BMW. Combining turbocharged performance, electric assistance, rear-wheel drive dynamics, and the versatility of a plug-in hybrid system, the 2022 BMW 330e is a well-rounded luxury sedan for drivers looking for both efficiency and an engaging driving experience.
