Dealer notes

The 2017 Mazda MX-5 Miata Club represents the enthusiast's choice in Mazda's celebrated lightweight roadster lineup. Powered by a responsive 2.0-liter SKYACTIV-G engine paired with a crisp six-speed manual transmission, this MX-5 delivers the wonderfully connected and engaging driving experience that has made the Miata an enduring favorite. The Club trim adds meaningful performance equipment, including Bilstein sport shocks, a front shock-tower brace, and a torque-sensing limited-slip differential. Combined with rear-wheel drive, responsive steering, and a curb weight of approximately 2,300 pounds, the result is a remarkably agile and well-balanced sports car that feels equally at home on a winding coastal road or a weekend drive through the canyons. This particular MX-5 has been tastefully personalized with striking König alloy wheels wrapped in Kenda tires, giving it a more aggressive stance and distinctive appearance. A clamp-on rear wing completes the sporty, motorsports-inspired look without permanently altering the trunk lid. Lightweight, responsive, economical, and genuinely fun to drive, this manual-transmission MX-5 Club offers the ideal combination of factory performance engineering and carefully selected exterior upgrades. It is a modern roadster built for drivers who still appreciate the connection between car and road.
