Dealer notes

This 2024 Mercedes-Benz GLS 450 4MATIC® represents a sophisticated choice for those seeking a premium three-row luxury SUV that combines refined engineering with practical capability. - ELECTRIC REAR SIDE-WINDOW SUNSHADES - HEATED STEERING WHEEL - TRAILER HITCH with increased towing capacity - ILLUMINATED RUNNING BOARDS - LOAD SILL GUARD - Heated and Ventilated Power Front Seats w/Memory - 7-Seat Configuration with 3rd row seats - Power Moonroof: Panorama - MBUX Multimedia System with Apple CarPlay®/Android Auto® - MB Navigation System - Automatic temperature control with front and rear dual zone A/C - Adaptive suspension with auto-leveling capability - 21" Triple 5-Spoke Alloy Wheels - NATURAL GRAIN GREY OAK WOOD TRIM - Premium 13-Speaker Audio System with SiriusXM The GLS 450 4MATIC® features a 3.0L I6 engine paired with a 9-speed automatic transmission, delivering balanced performance with an EPA-estimated 19 city and 24 highway MPG. The 4MATIC® all-wheel-drive system provides confident traction across varying road conditions, while the adaptive suspension with auto-leveling technology ensures a composed ride whether you're navigating city streets or highway driving. Inside, the cabin welcomes you with MB-Tex upholstery and natural grain grey oak wood trim that conveys understated elegance. The power-adjustable front seats offer both heating and ventilation, adapting to your comfort preferences throughout the year. Climate zones for both front and rear passengers ensure everyone travels in their preferred temperature environment. The panoramic power moonroof floods the cabin with natural light, enhancing the sense of space across all three rows. Connectivity and navigation integrate seamlessly through the MBUX multimedia system, which supports both Apple CarPlay® and Android Auto® for intuitive smartphone integration. The premium 13-speaker audio system delivers quality sound, while SiriusXM radio access keeps you entertained on longer journeys. The mb Navigation system provides confidence behind the wheel with detailed route planning and real-time information. Safety features throughout the GLS 450 4MATIC® reflect Mercedes-Benz's commitment to occupant protection. Dual front impact airbags, side-impact airbags, and overhead airbags work in concert with an emergency communication system to provide comprehensive protection. Electronic Stability Control, traction control, and a four-wheel independent suspension system work together to maintain vehicle stability in challenging situations. Four-wheel disc brakes with ABS offer responsive stopping power. The practical benefits of this vehicle extend to daily ownership. The split-folding rear seat and 3rd row seating arrangement provide flexible cargo configuration for families and those requiring passenger space. The trailer hitch accommodates towing needs, while the load sill guard protects your vehicle's lower body during loading activities. Illuminated running boards ease entry and exit, particularly helpful when boarding the elevated platform of this three-row SUV. We invite you to visit our showroom to experience the 2024 Mercedes-Benz GLS 450 4MATIC® in person and

explore how its combination of luxury appointments, advanced technology, and practical capability can enhance your driving experience.
