Dealer notes

2021 Kubota L 2501 4x4 Diesel With Loader. This 4WD HST hydrostatic transmission equipped unit has 114 hours extremely very easy hours put on it other than the foot areas with some scuffing, This unit could basically pass for New. LA525 loader with quick disconnect bucket. Diesel 25 hp engine. This tractor has Never had the PTO Used still has the cover on it. This was only used for moving trailers around the parking lot (Tractor moving implement not included, but we do have some in stock if that's what you need) R4 industrial tread fluid filled tires. Look closely at the pictures or please watch the full video on. Davis drives YouTube channel. Even the cutting edge on the bucket is still like new. We have three of these units available too with loaders one with non-hydrostatic transmission for the guys that like the old school and then one with no loader \$15995 and up all three machines are the cleanest units we have ever had available. If you're viewing this on any platform other then davis4x4.com or davisautosales.com please go to those websites directly to view more photos and the most accurate information. For financing assistance with multiple credit unions and lenders in state and out of state apply at www.davis4x4.com.
