Dealer notes

STATE CERTIFIED REBUILT TITLE – 2026 GMC Yukon XL Denali 4WD – ONLY 1,672 Miles – ONE OWNER – Massachusetts Vehicle – 6.2L V8 – Advanced Technology Package – Like New This 2026 GMC Yukon XL Denali 4WD is an exceptionally low-mileage example of GMC's flagship extended-length luxury SUV. Finished in timeless Summit White over a premium Jet Black interior, it has only 1,672 miles and presents in like-new condition. It also drives like new based on our current evaluation. Powered by the desirable 6.2L V8 and paired with 4WD, the Yukon XL delivers effortless power while providing significantly more passenger and cargo space than the standard-length Yukon. This Denali is especially well equipped with the Advanced Technology Package, Sun & Power Step Package, 22-inch polished aluminum wheels, Illumination Package, and panoramic dual-pane sunroof. Vehicle History & Condition This Yukon XL carries a State Certified Rebuilt Title following previous right-front-end damage. Only 1,672 Miles ONE OWNER Massachusetts Vehicle Right-Front Damage History Repairs Completed Inspected & State Certified Like-New Overall Condition Drives Like New Based on Current Evaluation With such exceptionally low mileage, the interior, exterior, and overall driving experience remain extremely fresh. Why This Yukon XL Stands Out This isn't simply a low-mileage Yukon—it combines the XL body, Denali trim, 6.2L V8, 4WD, and several desirable premium packages in one SUV. The extended-length XL configuration provides additional cargo capacity behind the third row, making it an excellent choice for larger families, long-distance travel, or anyone who wants maximum interior versatility without sacrificing luxury. At only 1,672 miles, this represents an opportunity to purchase a nearly new, highly optioned Denali at pricing that reflects its previous title history.
