Interior colour: BLACK
Body type: SUV
Fuel economy: — city / — highway MPG
Dealer: Whitten Auto Center, Petersburg, Virginia 23805
Dealer phone: (804) 748-3355

Dealer notes

Slip into this Blue 2021 Audi Q5 and you'll remember why a well-engineered SUV can feel like a sport sedan in disguise. Under the hood, a turbocharged 2.0L TFSI 4-cylinder puts out 261 hp, paired with a quick-shifting 7-speed S tronic dual-clutch automatic that keeps power right where you want it. Add confident AWD and you've got a Q5 that's ready for commute duty, weekend errands, or the long way home in rain, shine, or surprise gravel driveway. The cabin strikes that Audi balance of clean design and everyday comfort, with heated power front seats, a leather-wrapped steering wheel, and smart storage throughout. Up front, the sound system and dual front displays keep things entertaining and informed, while the split-folding rear seat gives you the flexibility to haul gear without giving up the whole back row. Outside, the look is sharp and purposeful with 18-inch wheels, LED lighting, a roof rack, and tinted glass that complements the paint perfectly. Practical touches like the back-up camera and front/rear parking sensors make tight spots far less dramatic, and driver-assist tech like blind spot monitoring and lane departure warning adds extra peace of mind. A CARFAX report is available, so you can check out the vehicle's history before you hit the road. At Montage Motors LLC quality is never compromised; we only sell hand-picked high quality used cars, trucks & SUV's. For our customer's peace of mind we offer: A Free Carfax Vehicle Report available on every vehicle on our web.
