Dealer notes

This 2019 Ford F-250 Super Duty Lariat Extended Cab 6.7L Power Stroke 4x4 is the definition of a properly maintained, turn-key diesel truck. Powered by the legendary 6.7L turbodiesel putting down an impressive 450 horsepower and 935 lb-ft of torque , it delivers serious pulling power with towing capability pushing up to the 17,000+ lb range when properly equipped . This Florida-owned, rust-free example stands out with two previous owners and 22 documented service records, showing consistent care and attention. What truly separates this truck is the extensive recent service-fuel injectors, fuel rail, all fuel lines, intake manifold gaskets, front and rear crankshaft seals, and front cover gaskets have all been replaced-eliminating the typical concerns buyers have with modern diesels. It's fully sorted, mechanically refreshed, and ready to go to work immediately without hesitation. Whether you need a dependable tow rig or a clean daily driver with serious capability, this Lariat checks every box.
