### Dealer notes

If you are searching for a modern pickup truck that commands attention on the road, this 2022 Chevrolet Silverado 1500 LTD Custom delivers an exceptional blend of bold styling and everyday utility. Finished in a sophisticated Satin Steel Metallic exterior paint, this 2WD Crew Cab configuration stands out with its aggressive, dark-themed aesthetics. The truck's street-ready look is elevated by the LPO Blackout Package and the LPO Dark Essentials Package, which replace traditional brightwork with a sleek, sinister attitude. This custom aesthetic is anchored by the prominent front LPO black bowtie emblem, giving this dependable workhorse a premium, head-turning presence. Beneath the hood, the 2022 Chevrolet Silverado 1500 LTD is powered by an efficient and responsive 2.7L 4-cylinder engine. Engineered to balance everyday utility with the rugged performance you expect from a full-size truck, this powertrain sends power to the rear wheels, making it an ideal choice for both daily commuting and hauling cargo. The 147-inch wheelbase and stable 2WD drivetrain provide confident handling on the highway, ensuring you have the payload capability and towing strength to tackle weekend projects or transport gear with ease. Inside, passengers are welcomed by a spacious and comfortable Jet Black interior designed for maximum functionality and daily comfort. Staying connected and productive on the go is made simple with the convenient 120-volt power outlet located right on the instrument panel, allowing you to charge tools, laptops, or mobile devices directly from the cabin. Out back, the subtle addition of the LPO black chrome exhaust tip provides a final touch of sporty refinement to the truck's rear profile. With its striking design, capable powertrain, and thoughtful utility features, this 2022 Chevrolet Silverado 1500 LTD Custom is the perfect choice for buyers demanding style and substance.
