Dealer notes

CLEAN & CLEAR TITLE – 2021 Ram 1500 Big Horn 4x4 Crew Cab – 79,510 Miles – 5.7L HEMI V8 – Night Edition – Excellent Service History If you're looking for a full-size pickup that combines HEMI V8 power, aggressive blacked-out styling, 4x4 capability, and a strong maintenance history, this 2021 Ram 1500 Big Horn 4x4 Crew Cab deserves a serious look. Finished in Diamond Black Crystal Pearlcoat over a Black interior, this Ram is equipped with the highly desirable Night Edition, giving it the aggressive appearance buyers love. Under the hood is the legendary 5.7L HEMI V8, paired with 4x4 and an anti-spin differential rear axle for excellent everyday, towing, and all-weather capability. This truck has 79,510 miles, a CLEAN & CLEAR TITLE, and came to us as a very nice trade-in. Even better, it has an amazing service record, and the exhaust manifold was recently serviced, addressing a commonly encountered maintenance item on HEMI-powered Rams. Vehicle History & Condition CLEAN & CLEAR TITLE 79,510 Miles Very Nice Trade-In Amazing Service Record Consistently Maintained Exhaust Manifold Recently Serviced 5.7L HEMI V8 4x4 Big Horn Night Edition Diamond Black Crystal Pearlcoat This Ram came to us as a very nice trade-in, and its maintenance history is one of its strongest selling points. The truck has an excellent service record, showing consistent care throughout its previous ownership. Another major benefit is that the exhaust manifold was recently serviced. Exhaust manifold-related repairs are a known maintenance item that can arise on HEMI-powered Rams, so it's great to see that work already addressed on this truck rather than leaving it for the next owner. Why This Vehicle Stands Out CLEAN & CLEAR TITLE 5.7L HEMI V8 4x4 Crew Cab 5'7" Bed Night Edition Big Horn Level 2 Equipment Group Anti-Spin Differential Rear Axle Diamond Black Crystal Pearlcoat Black Deluxe Cloth Bucket Seats Excellent Service History Recently Serviced Exhaust Manifold Very Nice Trade-In This is exactly the kind of used truck we like to offer: good equipment, desirable powertrain, clean title, strong service history, and important recent maintenance already completed. Vehicle Overview 5.7L HEMI V8 Approximately 395 Horsepower Approximately 410 LB-FT of Torque Automatic Transmission Four-Wheel Drive Crew Cab 5'7" Box Big Horn Trim 79,510 Miles Diamond Black Crystal Pearlcoat Black Interior Black Deluxe Cloth Bucket Seats The 5.7L HEMI V8 remains one of the most desirable engines available in the Ram 1500, delivering strong acceleration, excellent low-end power, and the unmistakable character of a naturally aspirated V8. Night Edition The Night Edition completely transforms the appearance of this Big Horn, especially when paired with the Diamond Black Crystal Pearlcoat exterior. Features include, as equipped: Blacked-Out Exterior Styling Dark Exterior Accents Black Badging Aggressive Wheel Appearance Sport-Inspired Exterior Details Diamond Black Crystal Pearlcoat Clean Monochromatic Appearance The result is a truck with a much more aggressive presence than the typical Big Horn. Big Horn Level 2 Equipment Group This Ram is also equipped with the desirable Big Horn Level 2 Equipment Group,

adding additional comfort, technology, and convenience equipment. Features may include, as equipped: Upgraded Infotainment Features Premium Convenience Equipment Heated Front Seats Heated Steering Wheel Power Driver Seat Remote Start Additional Storage Features Upgraded Interior Appointments Enhanced Driver Convenience Features Combined with the Black Deluxe Cloth Bucket Seats, the interior provides an excellent balance between truck durability and everyday comfort. Premium Features & Options Black Deluxe Cloth Bucket Seats Big Horn Level 2 Equipment Group Night Edition Heated Seats as Equipped Heated Steering Wheel as Equipped Power Driver Seat as Equipped Remote Start as Equipped Keyless Entry Push-Button Start Crew Cab Interior Rear Folding Seating Multiple Interior Storage Areas Steering Wheel Controls Premium Interior Trim as Equipped Technology & Entertainment Features Uconnect Infotainment System Touchscreen Display as Equipped Apple CarPlay as Equipped Android Auto as Equipped Bluetooth Connectivity Hands-Free Calling USB Connectivity Backup Camera Driver Information Display Steering Wheel Audio Controls Multiple Charging Ports as Equipped Performance Features 5.7L HEMI V8 Approximately 395 Horsepower Approximately 410 LB-FT of Torque 4x4 Anti-Spin Differential Rear Axle Strong Low-End Torque Confident All-Weather Capability Excellent Highway Performance Strong Towing Capability Crew Cab / Short-Bed Configuration Naturally Aspirated V8 Performance The anti-spin differential rear axle is another valuable option, helping improve traction when road or terrain conditions become challenging. Recent Exhaust Manifold Service An especially important benefit with this particular truck is the recent exhaust manifold service. HEMI-powered Ram trucks are known to sometimes develop exhaust manifold-related issues as they accumulate mileage. This truck has recently had its exhaust manifold addressed, meaning an important known maintenance item has already received attention. While no used vehicle can be guaranteed against future repairs, having this work recently completed is a definite advantage compared with purchasing a similar truck where the issue has never been addressed. Excellent Service Record Beyond the recent manifold work, this Ram has an amazing overall service history. For a truck with approximately 80,000 miles, maintenance history is extremely important. This one shows the kind of consistent servicing we want to see when evaluating a pre-owned truck. Combine that history with the fact that it came to us as a very nice trade-in, and this is a Ram we feel represents a strong overall value. Safety & Driver Assistance Features Backup Camera Electronic Stability Control Traction Control Anti-Lock Braking System Trailer Sway Control as Equipped Hill Start Assist as Equipped Tire Pressure Monitoring System Advanced Airbag System Electronic Roll Mitigation as Equipped Additional Benefits CLEAN & CLEAR TITLE 79,510 Miles Very Nice Trade-In Amazing Service Record Recently Serviced Exhaust Manifold 5.7L HEMI V8 4x4 Night Edition Big Horn Level 2 Equipment Group Anti-Spin Differential Crew Cab Trades Welcome Financing Available Nationwide Shipping Doorstep Delivery CarChief Vehicle Locating System Included OBD Monitoring Diagnostics We complete over half of our sales out of state, so whether you're here in Michigan or shopping from across the country, our team can assist with the purchasing process and arrange nationwide shipping or doorstep delivery. Pricing Disclosure A \$1,295 dealer preparation package including the CarChief Vehicle Locating System will be added to the purchase price. This 2021 Ram 1500 Big Horn 4x4 Crew Cab has 79,510 miles and a CLEAN & CLEAR TITLE. It came to us as a very nice trade-in and has an excellent documented service record. The exhaust manifold was also recently serviced, which is especially worth mentioning because manifold-related repairs are a known maintenance item on HEMI-powered Rams. While no pre-owned vehicle can be guaranteed against future repairs, having this work already addressed is a significant positive. Beyond its history and maintenance, this truck is extremely well configured with the 5.7L HEMI V8, 4x4, Night Edition, Big Horn Level 2 Equipment Group, anti-spin differential rear axle, Black Deluxe Cloth Bucket Seats, and a sharp Diamond Black Crystal Pearlcoat exterior. For someone searching for a clean-title, well-maintained HEMI Ram with the right packages and aggressive styling, this is an excellent truck to consider.
