Dealer notes

Experience the future of driving with this pristine, Carfax 1-Owner 2024 Chevrolet Equinox EV 4dr RS w/ORP *Ltd Avail*. Cloaked in a sophisticated Sterling Gray Metallic exterior, this all-electric SUV combines modern styling with the peace of mind that comes from a single-owner vehicle history. Designed to stand out on any road, the RS trim exudes a sporty, confident presence, making this limited-availability electric vehicle an exceptional choice for drivers looking to transition to clean energy without sacrificing dynamic curb appeal. Engineered for efficient and seamless daily transit, this front wheel drive electric vehicle delivers smooth and responsive propulsion without a traditional gas engine. Built to meet California state emissions requirements, it offers an environmentally conscious drive that is both quiet and refined. Charging is made incredibly convenient with the included dual-level charge cord, featuring dual-mode portable 120-volt (1.4 kW) and 240-volt (7.7 kW) capability, giving you the ultimate flexibility to power up your vehicle using a variety of standard electrical outlets. Step inside the cabin to find a stylish and driver-focused environment outfitted in premium black with red accents Evotex seat trim. This striking color combination adds an athletic, high-contrast touch to the interior, perfectly complementing the vehicle's sporty exterior theme. With its limited-availability status, advanced charging capability, and highly desirable single-owner pedigree, this 2024 Chevrolet Equinox EV RS represents an incredible opportunity to elevate your daily commute in a modern, zero-emissions package.
