Dealer notes

The 2024 Ford E-350 Super Duty Cutaway with a 12-foot box with 44,000 miles, is a practical, hardworking commercial vehicle that pairs Ford’s proven E-Series chassis with a cargo body suited to deliveries, moving, and service work. Its robust V8 and heavy-duty automatic transmission are designed for demanding daily use, while the cutaway layout gives businesses useful flexibility for shelving, liftgates, and other upfits. The 12-foot box offers a handy balance of cargo capacity and maneuverability; exact payload and equipment depend on the completed body and vehicle configuration. We are a Virginia dealer, #4137, serving our area since 1996. All retail sales are subject to a $385.00 processing fee to cover temp tags and title transfer. The factory powertrain warranty is valid for 22 months or 15,695 miles. Price does not include $385 processing fee
