Dealer notes

The 2007 Honda Pilot 2WD 4dr EX-L w/Navi is a versatile SUV that combines practicality and style, making it a great choice for families and adventurers alike. Its exterior is finished in a striking Dark Cherry Pearl, exuding a sense of sophistication and modernity. The roomy interior offers a Saddle color scheme that complements the vehicle's refined appearance, ensuring comfort and elegance for every ride. Under the hood, you'll find a capable 3.5L 6-cylinder engine that delivers a smooth and robust driving experience. This Pilot offers plenty of essential features including third-row seating, making it perfect for larger families or those in need of extra passenger space. Heated seats and rear air conditioning provide added comfort for all occupants, while the moonroof enhances the driving experience by bringing in natural light and fresh air. The EX-L w/Navi trim is equipped with advanced features such as a navigation system for easy route planning and an auto climate control for maintaining the perfect cabin temperature. The luxurious leather seats and power seats add to the vehicle's comfort, while the backup camera and keyless entry ensure convenience and safety. Overall, this Honda Pilot is designed to blend functionality with luxury, making it an excellent option for anyone in the market for a reliable and well-equipped SUV.
