Dealer notes

The F-150 delivers smooth handling and a comfortable, accommodating cab. The Ford F-150, reviewers find, is a solid, capable pickup truck that offers a nice ride and a comfortable interior. The Boston Globe calls it "a utilitarian truck that can go to the construction site, haul plenty of lumber for weekend projects, beat its way through bad weather and rough terrain, but also provide a family of six with all the comforts of a luxury SUV." AutoWeek looks at the F-150's "smooth power, solid, quiet and comfortable ride, instant brake response and superb interior," and deems it "the best truck for the masses." Kelley Blue Book focuses on the truck's crossover appeal, writing, "If you're a pickup-truck kind of person to begin with, but your spouse is not, this truck could very well win him or her over."
