Dealer notes

2022 BMW M240i xDrive Coupe – 64,000 Miles Finished in Thundernight Metallic over Black Vernasca leather with Aluminum Tetragon trim, this M240i xDrive combines a six-cylinder powertrain, all-wheel drive and the compact proportions of a two-door coupe. Its Shadowline Package and 19-inch M double-spoke Jet Black wheels give the exterior a purposeful appearance. Power is delivered through an 8-speed automatic transmission and full-time xDrive all-wheel drive. An electro-mechanical limited-slip differential helps distribute power at the rear axle, while adaptive sport suspension and speed-sensitive electric power steering support its driver-focused setup. A dual stainless-steel exhaust with dark chrome finishers completes the hardware. Originally priced at $56,570 including shipping, this M240i includes the $2,750 Premium Package, $1,450 Black Vernasca leather, $550 Thundernight Metallic paint and $400 Shadowline Package. Additional options include the $875 Harman Kardon surround-sound system, $300 remote engine start, $350 lumbar support, $200 Illuminated M Trim and $150 Aluminum Tetragon trim. The cabin features heated power front seats, driver-seat memory, a heated steering wheel, a head-up display and a glass sunroof. Live Cockpit Pro with navigation, Apple CarPlay and Android Auto compatibility, dual-zone automatic climate control and a universal garage door opener add everyday convenience. The Premium Package also includes adaptive full LED headlights and automatic high beams. For an enthusiast seeking a compact coupe with adjustable driving hardware and useful comfort upgrades, this M240i brings together six-cylinder power, xDrive traction and a distinctive color combination.
