Finished in elegant Sterling Metallic over a sophisticated Dark Walnut/Very Dark Ash Gray interior, this extended-length Denali delivers the upscale presence and first-class comfort expected from one of GMC's flagship SUVs. With only 21,573 miles and one previous owner, this Yukon XL is especially desirable because it comes from Texas, meaning it has avoided years of exposure to harsh northern winters and road salt and presents with a clean, rust-free undercarriage. Combine that with the 6.2L V8, panoramic sunroof, Rear Seat Media System, 22-inch wheels, and Denali appointments, and you have an exceptional specification.
