This 2023 Toyota Prius LE Hybrid is an outstanding choice with 106,795 miles, a Clean 1-Owner CARFAX Report, legendary Toyota hybrid efficiency, modern styling, and the long-term dependability that makes the Prius one of the most popular gas-saving vehicles on the road. INCREDIBLE 57 MPG COMBINED – SAVE MONEY AT THE GAS PUMP! Powered by Toyota's advanced 2.0L 4-cylinder hybrid engine paired with an electronically controlled continuously variable transmission (ECVT), this 2023 Prius LE delivers an impressive EPA-estimated 57 MPG city, 56 MPG highway, and 57 MPG combined. Its 194-horsepower hybrid powertrain offers responsive acceleration, smooth driving, and exceptional fuel economy. Best of all, this traditional Toyota hybrid charges its battery while driving and through regenerative braking, meaning no plugging in or external charging is required! This 2023 Toyota Prius LE is ideal for commuters, students, first-time buyers, rideshare drivers, delivery drivers, professionals, and anyone searching for dependable transportation with lower fuel expenses. Whether you're commuting through San Diego, driving to work, attending school, or traveling throughout Southern California, this Prius delivers excellent fuel savings without sacrificing comfort or everyday practicality. CLEAN 1-OWNER CARFAX – TOYOTA RELIABILITY – FINANCING AVAILABLE! This Prius stands out with its Clean 1-Owner CARFAX Report, giving buyers added confidence when shopping for an affordable used hybrid. Toyota's established reputation for hybrid engineering, efficient powertrains, and long-term dependability makes the Prius a compelling option for budget-conscious shoppers. Financing options are available for qualified buyers, making this fuel-efficient Toyota an attractive choice for customers seeking manageable payments and excellent everyday value. Inside, this 2023 Prius LE features a modern, driver-focused cabin with an 8-inch Toyota Audio Multimedia touchscreen, wireless Apple CarPlay, wireless Android Auto, automatic climate control, 7-inch multi-information display, fabric-trimmed seating, 60/40 split-folding rear seats, convenient USB-C charging ports, and practical cargo space for groceries, work equipment, luggage, and daily errands. ADVANCED TOYOTA SAFETY SENSE 3.0 TECHNOLOGY! This Prius comes equipped with Toyota Safety Sense 3.0, including a Pre-Collision System, advanced driver-assistance features, Lane Departure Alert, Lane Tracing Assist, Road Sign Assist, and other technologies designed to support safer everyday driving. Additional highlights include Blind Spot Monitor with Rear Cross-Traffic Alert, LED headlights, daytime running lights, and front and rear parking assistance with automatic braking. With its Clean 1-Owner CARFAX Report, impressive 57 MPG combined rating, modern fifth-generation Prius design, Toyota hybrid reliability, and financing availability, this 2023 Toyota Prius LE offers exceptional value for shoppers looking to minimize fuel expenses while enjoying a newer-model vehicle.
