Dealer notes

2015 Freightliner 4x4 Altec bucket truck with material handling jib. Powered by a 300HP Cummins diesel and equipped with a 20K winch, this is an extremely clean, ready-to-go unit that is very rare with its four-wheel-drive capability. It sits on Michelin tires in excellent condition all the way around and features outriggers, full hydraulic hookups, and a material handling cable in good shape. Additional equipment includes a locking differential, AWD capability, outrigger pads, and multiple tool storage compartments. This is a sharp, great-looking, fully operational rig that's ready to be put to work. We have multiple units available in various shapes, sizes, styles, and price points, including crane trucks, box trucks, utility work trucks, and custom lifted gas and diesel pickups, SUVs, and even electric units. Price does not include \$0 processing fee
