Dealer notes

The 2012 Chevrolet Express 3500 Work/Utility Van is a reliable and versatile vehicle that offers a spacious cargo area and a powerful engine. This van is powered by a 6.0L Flex Fuel V8 engine that delivers 323 horsepower and 373 ft-lbs of torque, providing ample power for any job. As a work/utility van, the 2012 Chevrolet Express 3500 has several factory default features that make it an ideal choice for businesses and individuals who require a dependable and practical vehicle. These features include a slide-out passenger-side door, a full-length black rubberized vinyl floor covering, and a 120-volt power outlet. The van also features a 4-wheel anti-lock braking system, a StabiliTrak stability control system, and a tire pressure monitoring system. Aftermarket features include the laptop holder in the cab, and the drawer system in the rear. Making this van perfect for an electrician, plumber, or general contractor. These safety features ensure that the vehicle remains stable and safe on the road at all times. Other notable features of the 2012 Chevrolet Express 3500 Work/Utility Van include air conditioning, a tilt steering wheel, and an AM/FM stereo with a digital clock and two front door speakers. The van also has a driver information center that displays important information such as fuel range, average fuel economy, and oil life. Overall, the 2012 Chevrolet Express 3500 Work/Utility Van is a practical and reliable vehicle that offers a range of useful features for businesses and individuals who require a versatile and powerful work van.
