Brand NEW 2019 Sure-Trac 18 and 20 foot Steel Deck Car Haulers Powder Coated! Financing Available WAC- Finance with Sheffield Synchrony Car Care or Trailer Solutions Financial 18 foot 3999.00 20 foot 4299.00 I am going to come right out and say it - This is the nicest looking best built Steel Deck Powder Coated trailer on the market! Period. Why would I make such a claim? Let me tell you. Engineered Tube Frame Construction! Tube not channel not angle. Full Wrapped Tubular Tongue! Super Strong! Removable Fender! And a 4 foot dovetail! Making loading even the lowest sport cars easy! Rear Slide out Ramps that won't break your back and that let the car tires roll easily! Every bit of the top metal deck is welded! All the way around and every seam! That's over 90 Feet of solid welding and that's just on the top surface. Powder coated top bottom sides every nook and cranny. Not just powder coated Bead blasted acid cleaned then primed and coated. Stylish Aerodynamic Bulkhead SureFlow (trademarked) Design Have I got your attention yet? Want to learn more? This 20 foot Metal Deck trailer makes loading a car a dream but it makes owning the trailer a long term pleasure. WIRES) In addition to the above items this trailer has a professional sealed wire harness It's even trademarked with a brand name EverLink - just for the harness. Every connection it has sealed water tight connections like you would find under the hood of a new Corvette. Not only that but every wire coming in and out of the frame is protected by
