Dealer notes

Experience the future of driving with the stunning 2023 Ford Mustang Mach-E Premium RWD. Clad in a commanding Shadow Black exterior, this all-electric SUV perfectly bridges the gap between legendary sports car heritage and modern, eco-conscious innovation. Designed for drivers who refuse to compromise on style, presence, or sustainability, this vehicle commands attention on every road while offering the spacious versatility and zero-emission efficiency that modern EV buyers demand. At the heart of this electric SUV is the primary eMotor (rear) (RWD) (997) powertrain, delivering smooth, instantaneous torque directly to the rear wheels for a responsive and engaging driving experience. The rear-wheel-drive configuration ensures sporty handling and a spirited ride that honors the iconic Mustang nameplate. This advanced electric motor provides seamless acceleration and quiet, refined performance, making daily commutes and highway cruising equally exhilarating and incredibly efficient. Step inside to find a sophisticated cabin featuring a refined Light Space Gray interior that offers a bright, open contrast to the bold exterior. This model comes equipped with the eye-catching Mustang Nite Pony Package, which adds a sleek, dark aesthetic edge to the vehicle's overall stance. Drivers will also benefit from cutting-edge convenience with Ford BlueCruise 1.3 (3-years included), offering hands-free highway driving technology designed to make long trips more relaxing. With its premium features, advanced driver-assist technology, and head-turning style, the 2023 Ford Mustang Mach-E Premium RWD is the ultimate modern electric vehicle ready to elevate your daily drive.
