Dealer notes

2023 international MV Cottrell Two/Three Car Tow Truck Hauler. This thing is incredible! Absolutely perfect for a dealer or delivery service. This Cottrell bed has never hauled anything, this is a brand new build. 22.5 Inch alloy wheels, with Continental tires all the way around, just over 25 foot of usable bed space and then additional ramp space with the hydraulic extended ramps. The ramps can stay out to extend space on the bed. The bed has extra grip paint added for nonslip surface, LED Lights, 15,000 pound winch that is remote wired. Built-in on board display that calculates the loaded weight of the vehicle, keeping it UNDER CDL requirements. A Cummins motor, well equipped interior with power options, Bluetooth stereo system, Air Ride seat, even still has the plastics inside this unit still smells new. All around one incredible build very unique and ready to put to work. The cost of a Rollback, but with the feature to carry an extra vehicle making it a very profitable option even has the tiedown straps built in and ready to use. Also would make a great long distance salvage vehicle carrier show car delivery and set up so many different uses.
