Dealer notes

Discover the perfect blend of modern efficiency and sophisticated style with this eye-catching grey 2018 Ford Fusion Energi SE FWD. Designed for drivers who want to minimize their fuel consumption without sacrificing the comfort of a midsize sedan, this plug-in hybrid offers a seamless transition between electric driving and traditional gasoline power. Its sleek grey exterior commands a handsome presence on the road, making it an ideal choice for daily commuters and eco-conscious buyers looking for a refined, forward-thinking vehicle. Under the hood, the 2018 Ford Fusion Energi is powered by an efficient 2.0L 4-cylinder engine paired with an electric motor and a rechargeable lithium-ion battery pack. This advanced powertrain allows you to drive on pure electricity for daily errands, while the gasoline engine effortlessly takes over for longer road trips to eliminate range anxiety. Combined with front-wheel drive (FWD) and a smooth electronic continuously variable transmission (eCVT), this sedan delivers a quiet, composed, and highly responsive ride that excels in both urban stop-and-go traffic and highway cruising. Inside, this plug-in hybrid prioritizes occupant comfort and convenience with a spacious, passenger-friendly cabin. Standard features for the SE trim include Ford's intuitive SYNC 3 infotainment system with a touchscreen display, dual-zone automatic climate control, and dedicated hybrid instrumentation that helps you monitor and maximize your driving efficiency. With its quiet cabin, user-friendly technology, and impressive fuel-saving capability, the 2018 Ford Fusion Energi SE FWD represents an exceptional value for anyone seeking a comfortable, tech-smart, and highly efficient pre-owned vehicle.
