Dealer notes

This 2014 Ram 1500 Express 4x4 delivers strong performance and capability, powered by a 5.7L HEMI V8 engine paired with a 6-speed automatic transmission. Equipped with a robust four-wheel-drive system and electronic transfer case, this truck provides confident traction and handling across varying road conditions and rough terrain. Designed with practical functionality in mind, the exterior features automatic halogen headlamps, fog lamps, power-heated side mirrors with foldaway capability, and front tow hooks. Black door handles and matching trim complement the aggressive stance, while a full-size spare tire mounted underbody ensures readiness for the unexpected. The bed comes equipped with cargo tie-down loops and a locking tailgate for secure storage. Inside, the cabin offers heavy-duty vinyl 40/20/40 split-bench seating designed for easy cleaning and long-lasting wear, complemented by front and rear rubber floor mats. Driver controls include tilt steering, cruise control, a driver information center, and power windows with one-touch down capability. The audio system includes an AM/FM radio, auxiliary input, and USB media hub for device connectivity and media playback. Safety and security features include 4-wheel anti-lock disc brakes, Electronic Stability Control, Traction Control, Trailer Sway Control, and Hill Start Assist. Advanced multistage front airbags, side-curtain airbags, and a tire pressure monitoring system provide essential protection for driver and passengers.
