Interior colour: —
Body type: SUV
Fuel economy: — city / — highway MPG
Dealer: Auto 206 Inc, Kent, WA 98032
Dealer phone: 206-456-2995

Dealer notes

2023 Tesla Model Y Long Range – 44,728 Miles This Model Y Long Range combines an all-electric powertrain, all wheel drive and the clean, screen-centered layout that defines Tesla ownership. An electric motor system works with a 1-speed automatic transmission. Regenerative electric operation and plug-in fast-charge capability support everyday use. Factory MSRP, option pricing and paint/interior names are omitted because Tesla does not provide a conventional VIN-specific Monroney label in this record. Verified equipment includes a panoramic glass roof, deep-tinted glass and flexible rear seating, power-folding heated exterior mirrors, LED lighting and automatic high beams. The cabin seats five and uses a large central display for primary vehicle controls. For a buyer seeking a streamlined electric vehicle with all wheel drive and practical passenger space, this Model Y brings those priorities together. VIN: 7SAYGDEE7PF885998. Current mileage: 44,728. Contact Auto 206 Inc. at (206) 456-2995 for availability, financing, transportation, trade-in assistance or to schedule a test drive. Driven by Trust. Focused on You.
