Dealer notes

The 2026 GMC Sierra 3500HD 4WD Crew Cab 172" Denali Ultimate represents the absolute pinnacle of heavy-duty luxury and uncompromising capability. Coated in a commanding Onyx Black exterior, this dual rear wheel (DRW) truck makes an immediate, sophisticated statement on the highway and the job site alike. Combining a spacious crew cab layout with the distinguished styling of the Denali Ultimate trim, this vehicle is meticulously engineered for buyers who demand top-tier refinement alongside serious heavy-duty performance.Under the hood, a powerful 6.6L 8-cylinder engine works in tandem with an advanced Four-Wheel Drive system to deliver exceptional output, control, and traction in challenging conditions. The dual rear wheel configuration enhances high-capacity hauling stability, offering optimal weight distribution and control when pulling massive loads. Equipped with dedicated trailering wiring provisions, this heavy-duty workhorse provides the necessary connections for smooth, confident towing, whether transporting commercial equipment, livestock, or large recreational trailers.Inside the cabin, premier comfort meets practical design with opulent Alpine Umber full grain leather seating surfaces that elevate every drive. To preserve the interior through tough workdays and varying weather, it comes fitted with premium floor liners featuring removable carpet inserts in the front. Capability extends to the exterior functionality as well, enhanced by LPO GMC MultiPro tailgate step lights that illuminate the bed access area for night operations. Bold, refined, and exceptionally tough, the 2026 GMC Sierra 3500HD Denali Ultimate is the ultimate choice for those who refuse to compromise between luxury and heavy-duty utility.
