Dealer notes

Vehicle Located in MA Zoom Classic Cars presents this 1963 Volkswagen Custom Beetle. Few automobiles in history are as instantly recognizable or universally beloved as the Volkswagen Beetle, and this beautifully customized 1963 example takes that timeless appeal to an entirely new level. Part of a meticulously maintained private collection, this Beetle has been driven fewer than 100 miles since being acquired in 2022—preserving its exceptional condition while remaining fully sorted and ready for the road. Originally restored with a clear vision and no shortcuts, this Beetle blends the unmistakable early Bug silhouette with tasteful custom upgrades that enhance both form and function. Finished in a striking metallic orange, the paint radiates a deep, candy-coated brilliance that amplifies the Beetle's iconic curves. Classic elements like fender grilles, full-length trim, and a contoured decklid are complemented by bright dual exhaust tips, creating a look that is both nostalgic and unmistakably bold. The exterior customization continues with distinctive touches including nerf bar bumpers, a ribbed rear bumper, tinted windows, and polished GT-5-style wheels wrapped in sporty tires and paired with a lowered stance. Attention to detail is evident throughout, from the well-fitted weather-stripping to the clean tail lights and excellent running board rubber—making this a standout cruiser that's equally suited for shows or weekend drives. Inside, the cabin reflects a thoughtful investment in comfort and style. The two-tone tan and brown seating is both inviting and period-inspired, matched by coordinated door panels for a cohesive presentation. Driver-focused upgrades include a wood-rimmed steering wheel and an EMPI sport shifter, enhancing the overall driving experience. Vintage charm remains intact with features like the classic wicker under-dash parcel shelf, while modern convenience is added via an upgraded AM/FM/CD stereo with USB input. Power comes from a well-maintained 1600cc air-cooled flat-four—an ideal and desirable upgrade from the original VW lineup—delivering reliable performance with a tidy, properly cared-for and detailed engine bay. Recent maintenance items such as the distributor, ignition wires, hoses, and coil underscore the attention this car has received. Paired with a crisp-shifting four-speed manual transmission, this Beetle offers a driving experience that is both engaging and confidence-inspiring. The upgraded suspension and sport tires further enhance handling, making it a joy on the open road. This is not simply a restored Beetle—it's a thoughtfully customized, collector-owned example that strikes the perfect balance between vintage charm and modern usability. With minimal miles since acquisition and evident pride of ownership, it represents a great opportunity to own a truly distinctive classic that's ready to be enjoyed immediately. Stored in MA with clean title in the Owner's name. Note that left front Nerf bar will be straightened prior to delivery. Call Jeff for more info or to schedule a viewing. Note that Owner will be donating the proceeds from the sale of this vehicle to the Wounded Warriors Project. Thanks for Looking. Price does not include \$0 processing fee
