Dealer notes

The 2022 Toyota RAV4 Hybrid SE is a lively, efficient compact SUV that pairs a 2.5 liter four cylinder with Toyota's hybrid system for a combined 219 horsepower and roughly 40 mpg combined fuel economy, with standard AWD for confident all weather traction; the SE adds a slightly sportier look and feel to the roomy, comfortable interior, which offers generous cargo space, intuitive tech like Apple CarPlay/Android Auto, and the full suite of Toyota Safety Sense driver assist features. It's a practical, well built choice that delivers brisk acceleration for its class, excellent real world fuel savings, and Toyota's reputation for reliability—great for an eco minded daily driver without sacrificing versatility or comfort.
