CLEAN TITLE – TOTAL LOSS HISTORY – ONLY 24,453 MILES – 2SS – 6.2L V8 – CONVERTIBLE – ADRENALINE RED INTERIOR – DUAL-MODE EXHAUST – 2016 Chevrolet Camaro 2SS Experience true open-air American muscle with this gorgeous 2016 Chevrolet Camaro 2SS Convertible, finished in sophisticated Silver Ice Metallic over an absolutely stunning Adrenaline Red interior. With only 24,453 miles, this is an exceptionally low-mileage Camaro with the right engine, the right trim, and a color combination that immediately separates it from the average example. Under the hood is Chevrolet's legendary 6.2L V8, paired with a responsive 8-speed automatic transmission and the highly desirable dual-mode performance exhaust. Drop the top, open the exhaust, and you have exactly the kind of V8 driving experience these cars were built to deliver. This Camaro carries a Clean Title with previous total-loss history. The previous damage was primarily concentrated in the front-end area and has already been repaired beautifully. The clean-title status also makes this vehicle considerably easier to finance than a rebuilt-title vehicle, while its history allows us to offer it well below comparable market pricing. This Camaro does have a previous total-loss insurance history associated primarily with front-end damage, but it currently carries a clean title rather than a rebuilt or salvage title. The repairs have already been completed, and the car presents beautifully today. The previous history is reflected in the price, creating an opportunity for someone who cares more about getting the right car, right mileage, and right specification than paying a premium for a comparable example without history.
