Dealer notes

The 2024 GMC Sierra 1500 4WD Crew Cab 157" SLE commands attention with its striking Summit White exterior, a clean and classic color that highlights the truck's bold, modern styling. Step inside the spacious Crew Cab to find a refined Jet Black interior designed to deliver exceptional comfort and premium durability for both daily commutes and long-haul road trips. Seamlessly blending professional-grade utility with a commanding road presence, this highly capable light-duty pickup truck is built to meet the demands of buyers who refuse to compromise on style or substance. Under the hood, this truck is powered by the dependable 5.3L EcoTec3 V8 engine, providing robust horsepower and torque to handle confident towing, payload hauling, and everyday acceleration. Coupled with an advanced Four Wheel Drive (4WD) system, this 2024 GMC Sierra 1500 is ready to tackle challenging terrains, mud, snow, and slick road surfaces with ease. The 157" wheelbase configuration offers a generous bed length for maximum utility, which is protected by a durable, factory-installed spray-on bedliner designed to prevent damage from heavy-duty cargo. Value-added upgrades elevate this vehicle's daily usability, starting with the convenient Remote Start Package that allows you to pre-condition the cabin temperature before stepping inside. This model also features the Preferred Package for enhanced convenience, alongside eye-catching LPO black tubular 6-inch rectangular wheel-to-wheel assist steps that provide easy cabin access while adding a rugged, custom look to the truck's profile. If you are searching for a versatile, powerful, and modern truck that perfectly balances work-ready capability with everyday driver comfort, this 2024 GMC Sierra 1500 SLE is the ultimate choice.
