Dealer notes

The 2024 Ram ProMaster Cargo Van Tradesman 1500 Low Roof 136" WB with Passenger Seat is engineered to be the ultimate business partner, delivering exceptional daily utility and dependable workhorse capability. Finished in a crisp Bright White Clearcoat, this professional commercial vehicle provides a clean, modern canvas for your business branding while offering the ideal setup for contractors, delivery specialists, and mobile technicians. Featuring a versatile 136-inch wheelbase and a low roof design, this ProMaster strikes a smart balance between expansive interior cargo space and easy accessibility, allowing you to seamlessly handle demanding routes and job sites. Under the hood, performance is driven by a reliable 3.6L V6 24V VVT engine, delivering the power and responsiveness required to haul heavy loads and navigate daily traffic with confidence. The combination of the 136-inch wheelbase and low roof configuration enhances maneuverability in urban environments, low-clearance spaces, and tight parking lots without sacrificing essential cargo volume. Designed purely around capability and operational efficiency, this Tradesman 1500 van is built to organize your gear, carry your equipment, and keep your business moving forward smoothly. Inside the cabin, the practical Black interior features durable black cloth bucket seats for both the driver and passenger, providing support and comfort throughout long working hours. Equipped with the Convenience Group for enhanced daily practicality, this vehicle also includes a full-size spare tire to ensure you stay prepared and minimize downtime on the job. Combining robust utility, proven V6 performance, and smart commercial features, the 2024 Ram ProMaster Cargo Van Tradesman 1500 is a ready-to-work investment designed to maximize your productivity.
