Dealer notes

Command the road with the striking 2024 GMC Sierra 1500 4WD Crew Cab 147" Elevation, a light-duty pickup designed for drivers who refuse to compromise on style or capability. Bathed in a deep Onyx Black exterior paint and complemented by a refined Jet Black interior, this truck boasts a commanding curb appeal and a modern, cohesive aesthetic. The spacious Crew Cab configuration ensures ample passenger room and comfort, making it an ideal choice for families, work crews, and weekend adventurers who demand a premium presence on and off the road. Under the hood, the powerhouse of this 2024 GMC Sierra 1500 is a robust 5.3L 8-cylinder engine that delivers dependable horsepower and torque for confident towing, hauling, and daily driving. Equipped with four-wheel drive and the specialized X31 Off-Road Package, this truck is purpose-built to conquer challenging terrains and adverse weather conditions with ease. To enhance its towing utility, an integrated trailer brake controller is included for seamless stopping power, while an engine block heater ensures reliable starts and optimal powertrain performance even during the coldest winter mornings. Inside the cabin, the Jet Black interior offers an inviting and ergonomic space featuring comfortable front bucket seats that provide excellent support during long-haul journeys. Grounding this formidable pickup are 275/60R20SL all-terrain blackwall tires, which offer the perfect balance of rugged off-road grip and a smooth, quiet ride on the highway. Whether you are navigating city streets, managing a busy jobsite, or heading off the beaten path, this beautifully configured 2024 GMC Sierra 1500 Elevation offers the perfect blend of truck utility, passenger comfort, and head-turning style.
