Step into top-tier comfort and unmatched versatility with this pristine 2024 Subaru Ascent Touring AWD (VIN: 4S4WMAWD1R3409209). As the flagship trim in Subaru's lineup, the Touring edition blends high-end luxury with the legendary, go-anywhere confidence of Symmetrical All-Wheel Drive. Under the hood sits a responsive 2.4-liter turbocharged BOXER engine paired with a Lineartronic CVT, delivering smooth power, excellent fuel efficiency, and up to 5,000 lbs of towing capacity for your family trailers and adventure gear. Outside, bold styling is accented by chrome trim, 20-inch alloy wheels, a panoramic power moonroof, and standard raised roof rails. Inside, the cabin offers a true sanctuary for up to seven passengers. Premium Nappa leather upholstery clothes all three rows, highlighted by second-row captain's chairs for easy third-row access. Both front and second-row outboard seats feature heating, while the front seats also offer ventilation for warm summer days. The center console centers around an 11.6-inch STARLINK touchscreen equipped with built-in navigation, wireless Apple CarPlay and Android Auto, and a surround-sound Harman Kardon premium audio system. Safety remains front and center thanks to Subaru's standard EyeSight Driver Assist technology, featuring adaptive cruise control, lane-keep assist, pre-collision braking, a 360-degree Surround View Monitor, and a Smart Rearview Mirror for clear visibility even when fully loaded with cargo.
