Dealer notes

STATE CERTIFIED REBUILT TITLE – 2022 GMC Yukon XL AT4 4WD – 80,888 Miles – North Carolina Vehicle – Well Maintained – Technology Package – Panoramic Sunroof This 2022 GMC Yukon XL AT4 4WD combines the rugged styling and capability of the AT4 package with the tremendous passenger and cargo space of the extended-length Yukon XL. Finished in bold Onyx Black over a Jet Black interior, this SUV has 80,888 miles and spent its life in North Carolina, with a strong maintenance history throughout its ownership. Under the hood is the proven 5.3L V8, paired with 4WD for confident year-round capability. The AT4 Preferred Equipment Group, Technology Package, panoramic dual-pane sunroof, and power-release second-row bucket seats make this an excellent configuration for families, road trips, towing, and everyday use. Vehicle History & Condition This Yukon XL carries a State Certified Rebuilt Title following previous minor left-front damage. 80,888 Miles North Carolina Vehicle Well Maintained Throughout Its Life Minor Left-Front Damage NO Structural Damage NO Airbag Deployment Repaired, Inspected & State Certified The previous damage was minor, with no structural damage and no airbags deployed. Following repairs, the vehicle completed the required inspection and certification process. Why This Yukon XL Stands Out The AT4 gives the Yukon XL a more rugged personality while retaining the comfort and premium features expected from a full-size GMC SUV. Its XL extended-length body provides substantially more cargo room, particularly behind the third row, making it ideal for families who regularly travel with passengers and luggage. The combination of 5.3L V8 power, 4WD, Technology Package, panoramic roof, second-row bucket seats, and a well-maintained North Carolina history makes this a particularly versatile Yukon.
