Dealer notes

This 1979 Chevrolet Corvette L48 is finished in pearl white with a dark blue cloth/leather bucket seat interior. It rides on 5-slot 15" factory wheels and hub covers. The paint is of driver quality due to a couple of chips and paint damage on the passenger side of the nose, but the overall finish has a beautiful shine to it. Under the hood is a rebuilt 350 CID V8 with a Weiand intake and Hooker headers. It is paired with its original Turbo Hydra-matic 350 (3-speed) automatic transmission. It starts and idles smoothly, and the automatic transmission shifts excellently while on the road. The headlights move up and down without issue. Inside, it displays a cluster of original instrumentation, with the clock, oil pressure gauge, and battery gauge inoperable. The seats and carpet are original and in fair to good condition, along with the dash pad. Other features include power windows, t-tops, factory A/C (inop), and a factory-fit Kenwood AM/FM Cassette Stereo. This 79 C3 Corvette has beautiful lines and is ready for the road.
