Dealer notes

The 2018 Toyota Prius One (Natl) is a striking blend of innovation and efficiency, offering eco-conscious drivers a stylish ride in Blizzard Pearl. This special color gleams under sunlight, providing a radiant, standout presence on the road. Its aerodynamic design is accentuated by sophisticated 15" 10-spoke alloy wheels, which not only enhance aesthetics but also contribute to the vehicle's impressive fuel economy. Under the hood lies a robust 1.8L 4-cylinder engine, expertly optimized for both performance and environmental responsibility. Inside, the Prius One boasts a sleek and modern interior dressed in classic black, which complements its exterior allure. Designed with both comfort and function in mind, the cabin is equipped with a four-season floor liner/mat package, ensuring pristine conditions regardless of weather changes. The layout is intuitive and driver-focused, offering ease of access to all essential controls. These thoughtful features make the Prius an excellent choice for those who value comfort as much as efficiency. In addition to its eye-catching design, the Prius One comes with a protection package, ensuring that its new-car charm is long-lasting. The paint protection film, strategically applied to the hood and fender, preserves the vehicle's lustrous finish from the wear and tear of daily driving. Whether navigating city streets or embarking on long journeys, this Prius model stands ready to deliver a seamless and enjoyable driving experience. With the Prius One, Toyota blends practicality with a touch of elegance, offering a vehicle that's as visually pleasing as it is efficient. Rev Up Your Savings at SD Mission Auto Sales ! ??
