Dealer notes

Elevate your daily drive with this exceptional Carfax 1-Owner 2018 Tesla Model S 75D AWD. Draped in a striking Silver exterior with a Leather interior, this premium all-electric sedan offers a sophisticated, monochromatic aesthetic that commands attention on any road. As a highly desirable one-owner vehicle, it represents a premier opportunity to acquire a meticulously cared-for piece of modern automotive innovation. For discerning buyers seeking the perfect blend of luxury, cutting-edge technology, and zero-emissions efficiency, this pristine 2018 Tesla Model S stands as an incredibly compelling choice. At the heart of this 2018 Tesla Model S 75D AWD is its advanced electric motor powertrain coupled with an intelligent All Wheel Drive system. The dual-motor setup delivers instant torque and seamless, linear acceleration, redefining what you expect from a luxury sedan's performance. By distributing power independently to both the front and rear wheels, the AWD system ensures exceptional traction, stability, and handling confidence in a wide variety of road and weather conditions. This electric vehicle combines thrilling dynamics with quiet, smooth power delivery, making every journey both serene and exhilarating. Inside, the refined black cabin of the Model S welcomes you with a minimalist, futuristic design designed around passenger comfort. The centerpiece of the interior is Tesla's iconic digital touchscreen interface, which seamlessly integrates navigation, media, and cabin controls into one intuitive command center. Benefit from over-the-air software updates that keep your vehicle's systems current and optimized. With its clean Carfax 1-Owner history, timeless silver-on-white styling, and legendary dual-motor performance, this 2018 Tesla Model S 75D AWD is ready to deliver an unmatched driving experience to its next owner.
