Dealer notes

If you are searching for a heavy-duty pickup built to tackle demanding tasks, this 2017 Chevrolet Silverado 2500HD 4WD Double Cab Work Truck delivers dependable power and unyielding utility. Finished in a clean Summit White exterior, this 144.2" wheelbase truck presents a bold, purposeful look that fits right in on the job site or the open highway. Designed for those who require uncompromising strength, this Four Wheel Drive Double Cab model offers the perfect combination of cabin space, bed functionality, and heavy-duty capability. Under the hood, a robust 6.0L 8-cylinder engine provides the muscle necessary to haul heavy payloads and pull demanding loads with ease. The reliable Four Wheel Drive system ensures maximum control and traction across slick roads, rough terrain, and challenging work environments. Purpose-built for serious utility, this Silverado comes equipped with heavy-duty trailering equipment and an integrated trailer brake controller, giving you the control and stability required to manage heavy loads securely. Inside the functional cabin, the Dark Ash interior with Jet Black interior accents creates a clean, durable environment designed for everyday productivity. Dashboard entertainment and connectivity are anchored by the Chevrolet MyLink audio system featuring a 7-inch diagonal color touch-screen AM/FM stereo. Further enhancing daily operations, this model includes the WT Fleet Convenience Package along with outside heated power-adjustable vertical trailering mirrors with manual-folding and extending black frames for optimal towing visibility. Capable, practical, and ready for action, this 2017 Chevrolet Silverado 2500HD is the ideal heavy-duty workhorse for your fleet or personal workload.
