Dealer notes

STATE CERTIFIED REBUILT TITLE – 2025 GMC Sierra 1500 Denali 4WD Crew Cab – ONLY 15,263 Miles – 3.0L Duramax Diesel – Super Cruise – Onyx Black This 2025 GMC Sierra 1500 Denali 4WD Crew Cab is an absolutely gorgeous, heavily optioned luxury truck with only 15,263 miles. Finished in timeless Onyx Black over a premium Jet Black interior, this Denali combines upscale styling with the efficiency and tremendous low-end torque of the 3.0L Duramax Turbo-Diesel. This isn't a basic Denali. It's loaded with some of GMC's most desirable technology, including Super Cruise, the Technology Package, and a power sunroof. For someone looking for a late-model diesel Denali without paying typical clean-title market pricing, this truck offers an incredible amount of equipment for the money.

Vehicle History & Condition This Sierra carries a State Certified Rebuilt Title following a minor front-end collision. Minor Front-End Damage NO Structural Damage NO Airbag Deployment Repaired, Inspected & State Certified Previously from Illinois Only 15,263 Miles The previous damage was minor and non-structural, with no airbag deployment. It has since been repaired and completed the required inspection and certification process.

Why This Sierra Stands Out Finding the right combination of Denali luxury, Duramax diesel power, 4WD, Super Cruise, Technology Package, and low mileage is what makes this Sierra particularly appealing. The Onyx Black and Jet Black color combination gives it a clean, upscale appearance, while its rebuilt-title history allows us to offer this truck well below the market pricing typically associated with comparable clean-title Denali diesels.

Duramax Diesel & 4WD Performance The 3.0L Duramax Turbo-Diesel inline-six is one of the highlights of this Sierra, providing approximately 305 horsepower and 495 lb-ft of torque. 3.0L Duramax Turbo-Diesel I6 10-Speed Automatic Transmission Four-Wheel Drive Electronic 4WD Selection Auto-Locking Rear Differential as equipped Integrated Trailer Brake Controller as equipped Tow/Haul Mode Trailing Technology as equipped The Duramax is an excellent match for the Sierra 1500, providing strong low-end torque for towing and hauling while maintaining the smooth, quiet highway manners expected from a Denali.

Denali Luxury & Premium Features The Denali cabin is designed to provide a substantially more upscale experience than a traditional work-focused pickup. Features include, as equipped: Premium Jet Black Leather Interior Heated & Ventilated Front Seats Heated Rear Seats Heated Steering Wheel Power Front Seats with Memory Power Sunroof Dual-Zone Automatic Climate Control Remote Start Keyless Entry & Push-Button Start Power Sliding Rear Window as equipped Premium Interior Trim Power Tailgate Features as equipped Super Cruise & Technology Package One of this truck's biggest upgrades is Super Cruise, GMC's advanced hands-free driver-assistance technology for compatible roads when system conditions are met. The Technology Package further enhances the truck with advanced displays, cameras, and driver information features. Equipment includes, as equipped: Super Cruise Large GMC Infotainment Touchscreen Digital Driver Information Center Google Built-In

Compatibility Wireless Apple CarPlay Wireless Android Auto Bose Premium Audio Wireless Phone Charging HD Surround Vision Multiple Camera Views Head-Up Display as equipped Rear Camera Mirror as equipped Safety & Driver Assistance Adaptive Cruise Control as equipped Forward Collision Alert Automatic Emergency Braking Front Pedestrian Braking Lane Keep Assist Lane Departure Warning Blind Zone Alert Rear Cross Traffic Alert Front & Rear Park Assist HD Rear Vision Camera Trailer-Specific Driver Assistance Features as equipped Combined with the truck's camera technology, these systems make a full-size Crew Cab easier to manage during everyday driving, parking, and trailering. Crew Cab Versatility The Crew Cab with 147-inch wheelbase provides excellent passenger space without giving up the functionality expected from a full-size pickup. The rear seating area provides genuine adult-friendly room, while the Sierra's bed and available trailering equipment allow the truck to transition easily between family transportation, road trips, towing, and everyday work. Additional Benefits Only 15,263 Miles Loaded Denali Configuration 3.0L Duramax Diesel Super Cruise Technology Package Power Sunroof 4WD Onyx Black State Inspected & Certified Priced Well Below Market CarChief Vehicle Locating System Included OBD Monitoring & Diagnostics Trades Welcome Financing Available Nationwide Shipping Doorstep Delivery We complete over half of our sales out of state, and our team can assist with purchasing and transportation for customers nationwide. Pricing Disclosure A \$1,295 dealer preparation package including the CarChief Vehicle Locating System will be added to the purchase price. This Sierra carries a State Certified Rebuilt Title following a previous minor front-end collision. The damage was non-structural, and no airbags deployed. The vehicle has since been repaired and completed the required state inspection and certification process. The title history is reflected in the price, allowing us to offer this 15,263-mile, Duramax-powered, Super Cruise-equipped Denali well below typical market pricing for comparable clean-title trucks.
