Dealer notes

Discover the perfect blend of modern efficiency and premium style with this pristine, Carfax 1-Owner 2023 Tesla Model Y Long Range AWD. Finished in a sophisticated Midnight Silver Metallic exterior that beautifully contrasts with its sleek Black interior, this highly sought-after electric crossover offers a commanding presence on the road. As a single-owner vehicle with a clean history, it represents an incredible opportunity for buyers looking to transition to an eco-friendly lifestyle without compromising on luxury or peace of mind. Engineered for all-weather confidence and exhilarating efficiency, this 2023 Tesla Model Y features an advanced Dual Motor All-Wheel Drive system. This intelligent drivetrain constantly monitors road conditions, digitally distributing torque to both the front and rear wheels to provide exceptional traction, stability, and control in various driving environments. Free from the maintenance and emissions of traditional internal combustion engines, its pure electric powertrain delivers instant torque for seamless acceleration while offering the impressive driving range that defines Tesla's Long Range capability. Inside, the minimalist Black cabin is designed around comfort and cutting-edge technology. Passengers can enjoy the expansive feel of the standard glass roof, which floods the interior with natural light, while the versatile cabin layout offers fold-flat seating and ample cargo space, including a convenient front trunk. At the heart of the dashboard is Tesla's signature central touchscreen, seamlessly controlling navigation, media, and vehicle settings, while the vehicle remains continuously improved via over-the-air software updates. Don't miss your chance to own this highly capable, single-owner 2023 Tesla Model Y Long Range AWD—a forward-thinking vehicle that perfectly aligns performance, utility, and modern luxury.
