Powered by a turbocharged 2.0-liter four-cylinder engine producing 189 horsepower and 207 lb-ft of torque, this Cooper S offers lively acceleration and agile handling that make every drive more engaging. Paired with an automatic transmission and front-wheel drive, it provides a great balance of everyday comfort and spirited performance. With 135,601 miles, this MINI continues to showcase the charm, efficiency, and dynamic driving character that have made it such a popular choice. Its compact two-door hatchback design gives it a unique and stylish road presence while also offering the practicality of a versatile rear cargo area. Inside, the cabin reflects MINI's signature design language with a driver-focused layout and a fun, modern feel. Combining turbocharged power, sporty handling, and hatchback utility, the 2015 MINI Cooper Hardtop S is an excellent option for drivers looking for a small car with big personality and an enjoyable driving experience.
