The front seats feature heating and ventilation capability, while power adjustment and memory settings allow drivers to save preferred positions for convenient recall. The split-folding third row seats offer flexible cargo configuration when additional passenger space is not needed. Technology integration includes the Navigation Package, which features an 8-inch high-resolution color touchscreen with voice command functionality. The system provides 3D mapping, customizable home screen display with speed limit information, ETA calculations, traffic detour preview, and predictive traffic capabilities. Additional services include Lexus Enform Destinations, Destination Assist, and eDestination with a complimentary one-year trial subscription. The Lexus Insider and Enform application suite provide access to destination search, Yelp, iHeartRadio, Facebook Places, MovieTickets.com, OpenTable, Pandora, Slacker, stocks, fuel prices, and sports information. Enhanced Bluetooth connectivity supports seamless device integration. Safety systems on this model include dual front impact airbags, dual front side impact airbags, rear side impact airbags, knee airbags, and overhead airbags. Blind Spot Monitor with Rear Cross Traffic Alert provides enhanced awareness, while the Exterior Parking Camera assists with rear visibility during reversing. Electronic Stability Control, traction control, brake assist, and ABS brakes work together to maintain vehicle control in various driving conditions. The Emergency Communication System: Safety Connect offers added security and connectivity. The 4.6L V8 engine with dual overhead camshaft and dual variable valve timing delivers power while the 6-Speed Automatic transmission with Sequential Shift allows manual control when desired. Four-wheel drive capability provides traction across varied surfaces, while features like speed-sensing steering and front wheel independent suspension contribute to responsive handling characteristics. Fuel economy measures 15 mpg city and 18 mpg highway. Interior convenience features include automatic temperature control with front dual

zone capability, rear window defroster, power windows and doors, remote keyless entry, and telescoping tilt steering wheel. The auto-dimming rear-view mirror reduces glare, while illuminated running boards, roof rack rails, and body-color bumpers complete the practical design. Additional amenities include HomeLink garage door transmitter, outside temperature display, compass, trip computer, and a leather-trimmed interior with NuLuxe seat trim.
