Dealer notes

If you are looking for a highly versatile, dependable commercial vehicle that commands a professional presence on the job site, this 2021 Chevrolet Express Cargo Van RWD 2500 135" is the perfect fit. Finished in a sleek and striking Black exterior, this heavy-duty work van blends a commanding road presence with the legendary durability that fleet owners and independent contractors trust. Whether you are running a mobile workshop, transporting a work crew, or delivering large-scale cargo, this rear-wheel-drive configuration on a stable 135-inch wheelbase offers the ideal balance of maneuverability and expansive interior capacity to elevate your business operations. Under the hood, this formidable cargo van is powered by a robust 6.6L V8 engine, delivering the impressive horsepower and torque required to haul heavy payloads and pull trailers with absolute confidence. This potent 8-cylinder powerplant is engineered for commercial-grade durability, providing reliable performance under the most demanding daily work cycles. The rear-wheel-drive system ensures optimal traction and weight distribution when carrying heavy cargo, making this 2500-series platform a true powerhouse designed to handle tough tasks without breaking a sweat. Inside, the functional cabin features a clean Medium Pewter interior equipped with the highly desirable 5-passenger Express Crew Van seating arrangement package, allowing you to transport your crew and your gear simultaneously. Backseat passengers remain comfortable on the road thanks to the addition of rear air conditioning, while the Solar-Ray deep-tinted glass keeps the cabin cooler and provides enhanced security for your tools and equipment. Rounded out by the Enhanced Convenience Package for streamlined daily operations, this 2021 Chevrolet Express Cargo Van represents the ultimate turn-key solution for businesses demanding power, passenger versatility, and uncompromising utility.
