Dealer notes

This 2023 Subaru Forester Premium AWD in a beautiful blue exterior with a gray interior is the kind of SUV that makes every drive feel effortless, whether its your daily commute or a weekend trip to the mountains. Powered by Subarus proven 2.5L BOXER 4-cylinder engine with 182 horsepower, paired to a smooth CVT automatic transmission and Subarus legendary Symmetrical All-Wheel Drive, it delivers confidence in all weather while still returning an excellent 26 city / 33 highway MPG. The Premium trim adds all the upgrades buyers love, including a panoramic power moonroof, heated front seats, 10-way power drivers seat, push-button start, and 17-inch alloy wheels, giving it the perfect mix of comfort and capability. Inside, the Forester really shines with its roomy cabin, wide-opening doors, and outstanding cargo space that make it ideal for families, pets, road trips, or everyday errands. The gray cloth interior pairs nicely with the blue exterior for a clean modern look, while Subarus advanced safety features and elevated seating position make it one of the easiest SUVs on the road to drive with confidence. This Premium AWD trim is especially desirable thanks to the moonroof and comfort upgrades, making it a standout option for anyone wanting reliability, safety, and versatility in one sharp package.
