Dealer notes

The 2008 Ford Econoline Cargo Van E-350 Super Duty Ext Commercial is a robust and reliable vehicle finished in a classic Oxford White, designed to meet the demands of any commercial application. Under the hood, this van is powered by a formidable 6.0L turbo-diesel V8 "Power Stroke" engine, offering exceptional torque and durability for hauling heavy loads with ease. The engine block heater ensures that the van is ready to go even in the coldest climates, providing added confidence for businesses operating in diverse weather conditions. Further enhancing its versatility, the van features an auxiliary fuel port, which makes it easier for customizing and adding additional accessories, such as auxiliary fuel tanks or specialized equipment. Rated for 50-state emissions, this Econoline Cargo Van meets environmental standards, allowing it to be driven and operated across the entire United States without issue. This ensures compliance and peace of mind for fleet operators looking to maximize their operations without any regulatory hurdles. The E-350 Super Duty Ext Commercial model comes with an extended cargo area, ideal for transporting large volumes of equipment or goods. Its practicality is matched by its sturdy construction, making it a favorite among businesses that require reliable, durable vehicles for daily operations. With these features, the 2008 Ford Econoline Cargo Van E-350 offers an outstanding balance of power, efficiency, and adaptability, underscoring why it remains a preferred choice for those in the market for a heavy-duty commercial van.
