Dealer notes

2019 Ford F-750 Super Duty diesel dump truck. This truck is equipped with a PJ steel contractor dump body measuring 10 feet long and 48 inches tall, including a wood extension, and it is rust-free. It features an aluminum diesel fuel tank, a 6.7L Power Stroke turbo diesel engine, Bluetooth stereo, three-passenger seating, and a Chelsea PTO system. Additional equipment includes a trailer brake controller for towing, a rear pintle hitch mounting location with safety chain hooks, a side storage toolbox, push-button electric US Tarp system, mud flaps, and rock guards. It rides on alloy wheels with Michelin 22.5-inch tires that are in near-new condition all the way around. This truck has been extremely lightly used and could easily pass as nearly new. It has not been abused, and we have thoroughly gone through the unit both mechanically and cosmetically. Price does not include \$0 processing fee
