### Dealer notes

Hardware 3 with MCU2A standout in its class, our 2017 Tesla Model X 75D brought to you in Gray Multi-Coat is highly desirable and thoroughly luxurious. Powered by a Dual Motor Electric system generating 518hp connected to a Single Speed transmission to provide you with an excellent traveling companion. Enjoy brisk acceleration that will get your heart pumping, along with an estimated driving range of nearly 237 miles. There's just nothing else quite like our Model X 75D! Take notice of its sleek lines with xenon headlights, prominent wheels, and an overall wow factor that refuses to blend in with the crowd thanks to auto-opening doors, plus the Falcon wing doors for your rear passengers. The 75 interior is intuitively designed with full power accessories, dual-zone automatic climate control, heated front seats, and 60/40 split-folding rear seats. Everything you need to maintain an innovative connection is close at hand including a prominent central touchscreen display, Bluetooth, premium audio, available WiFi for over-air software updates, and more! Spectacularly innovative, our Tesla provides peace of mind with advanced safety features including a rearview camera, airbags, stability control, ABS, and traction control. Reward yourself with the modern style and brilliant engineering that is synonymous with the Model X 75D. Save this Page and Call for Availability.
