### Dealer notes

If you are searching for a midsize truck that perfectly balances bold styling with everyday usability, this 2016 GMC Canyon 2WD Ext Cab 128.3" SLE is the ideal choice. Draped in a commanding Onyx Black exterior paint, this truck demands attention on the road while offering a refined, modern aesthetic. Inside, the Jet Black interior cabin provides a cohesive, premium environment designed for driver and passenger comfort alike. As a versatile extended cab model, it delivers the perfect combination of street-smart maneuverability and professional-grade capability for your daily drives or weekend projects. Under the hood, this 2016 GMC Canyon is powered by an efficient and reliable 2.5L 4-cylinder engine, sending power to the rear wheels via its practical 2WD drivetrain. This powertrain configuration is engineered to deliver a responsive driving experience alongside excellent fuel efficiency, making it an outstanding choice for commuters and weekend warriors who demand utility without the hefty fuel bills of a full-size pickup. Built on a sturdy 128.3-inch wheelbase, this Extended Cab pickup offers composed handling and a stable ride, ensuring you can confidently haul cargo or navigate tight city streets with ease, while also including a federal emissions override. Inside and out, this SLE trim comes loaded with desirable features that elevate your driving experience. The exterior is enhanced with an LPO Molded Hood Protector to help shield your paint from road debris, while the cabin benefits from the added comfort of the SLE Convenience Package and single-zone automatic climate control. Tech-savvy drivers will appreciate the intuitive audio system featuring an 8-inch diagonal color touch screen with GMC IntelliLink, AM/FM radio, and SiriusXM capability for endless entertainment on the go. Whether you need a dependable work partner or a stylish daily driver, this beautifully equipped 2016 GMC Canyon is ready to deliver.
